

Good things come in rPackaging.

EnviroTF™ Round Deli | Square Deli

**The first ever rPET container lines
made from 100% post-consumer recycled,
curbside-collected PET material.**

Our premium deli containers are the first-ever food packaging product lines made from up to 100% post-consumer recycled, curbside-collected PET material. Available in round or square shapes and several convenient sizes with multiple lid options, they are an easy to use solution for all your grocery, food service, or processor needs. Thanks to our efficient, low-carbon footprint production process and ability to use up to 100% post-consumer recycled content, you can achieve your sustainability goals and create a positive impression with your customers — without compromising on quality or cost.

- Made from up to 100% post-consumer recycled content sourced from curbside collection programs across California
- Best-in-class clarity and performance at high levels of recycled content
- Round or square in several convenient sizes: 8oz, 12oz, 16oz, 24oz & 32oz
- Multiple lid options: Inside fit, outside fit, recessed
- Produced using lowest carbon footprint methods
- 100% recyclable; How2Recycle pre-approved
- Made from #1 PET – the world's most recycled plastic
- FDA-compliant food-grade; SQF-certified manufacturing

Premium rPET that makes a difference.
