A New Take on Tamper-Resistant, Tamper-Evident Food Packaging

EZ-Tab[®] by rPlanet Earth[®] is revolutionizing tamper-evident food packaging with its patented technology that provides clear, undeniable proof of tampering. Designed for both safety and convenience, this tamper-evident container ensures product integrity while offering a leak-resistant seal and an easy-to-use reclosable design—no matter the orientation of the lid.

Made with 50% post-consumer recycled materials, EZ-Tab[®] is not only secure but also sustainable by design, helping brands meet their sustainability goals without compromising on performance. Choose EZ-Tab[®] for a smarter, safer, and more eco-friendly solution in tamper protective packaging.

Protecting your products, Preserving our planet.

No Tear Strip Needed

Streamlined design eliminates waste and enhances convenience.

Patented Tamper-Evident Technology

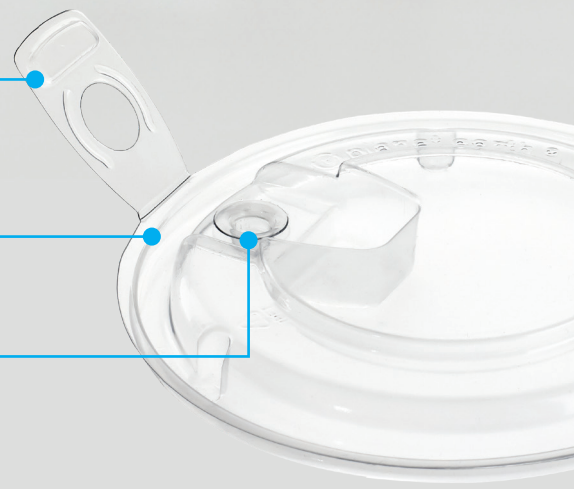

Intuitive pull-tab ensures product integrity and brand protection with peace of mind for consumers.

Closes in Any Orientation

Easy and secure closure from any angle for effortless use.

Built-In Tamper Indication

The pull-tab provides clear, visible proof of tampering for consumer and product safety.
